Syed NoorAlam

About me

Hi, I'm NoorAlam Fullstack Developer A passionate Full-Stack Nextjs Developer skilled in HTML, Css, JavaScript, Typescript, React JS, Nextjs, Tailwind CSS, GitHub, Sanity, Python, Shad_CN, and Api Integrations. With hands-on project experience, I specialize in building responsive web interfaces. Currently i am completed my E-commerce Hagathon at Governor house, I am eager to contribute to

dynamic teams with a focus on scalable and high-performance applications.

Work Experience

- 2024 Frontend Developer — Governor house As a Frontend Developer at Governor house, I specialize in HTML, CSS, JavaScript, Typescript and Nextjs, creating responsive and user-friendly interfaces. I focus on writing clean, efficient code while enhancing user experiences across devices and staying updated with the latest trends in modern web development.
- 2024 Backend Developer (Nextjs) — Governor house As a Backend Developer at Governor house, I write clean, maintainable code while staying updated on cutting-edge backend technologies to deliver innovative and high-quality solutions.

Education

- 2024 - Present Generative Ai — Governor house I am currently pursuing a Agentic AI course at the Governor House, where I am learning about advanced AI techniques and their applications. This program is enhancing my understanding of machine learning, deep learning, and AI-driven solutions, equipping me with the skills to innovate in the field of technology.
- 2023 - Present Intermediate — Board of Karachi I completed my Intermediate studies under the Board of Karachi, further enhancing my knowledge in areas such as Mathematics, Physics, and Computer Science. This phase of my education was instrumental in building the critical thinking and technical skills necessary for my career in web development and Agentic engineering.
- 2022 - 2023 Matriculation — Board of Karachi I completed my Matriculation from Moon light grammer high school under the Board of Karachi. My education provided me with a strong

foundation in subjects like Science, Mathematics, and English, which played a crucial role in shaping my analytical and problem-solving skills. This early academic experience laid the groundwork for my passion in technology and AI.

Skills

- HTML 90% CSS 80% JavaScript 70% Typescript 70% Git & GitHub 75% Nextjs 70% Python 75% React JS 60% Tailwind CSS 70% Dezi_Ui 70% Shad_CN 80% Sanity
